ABOUT ME

Passionate Web Developer and UI Designer with a strong foundation in creative design and technical implementation. Dedicated to continuous learning and crafting responsive web applications with intuitive interfaces. Skilled in front-end and back-end development, I thrive in dynamic environments, adapting to emerging technologies. Committed to innovation, excellence, and exceeding client expectations globally.

EDUCATION

2020 - 2024 Bachelor of Technology	Completed Bachelor of Technology in Computer Science Engineering from Maulana Abul Kalam Azad University of Technology, West Bengal, with an 8.38 CGPA, gaining a strong foundation in software development and data structures.
2019 Higher Secondary	Passed 12th grade from Tangrakhali P.J.P High School, Canning, securing 73% marks with a strong academic foundation in science and mathematics, with a keen interest in technology.

EXPERIENCE

Oct, 2024 - Present Matrix Integrated: Direct, Events, Rewards & Digital	Web Developer As a Web Developer at Matrix International, I developed and optimized WordPress websites, handling theme customization, plugin integration, and performance enhancements. I ensured mobile responsiveness, implemented client requirements, and resolved technical issues, enhancing user experience and site functionality.
July - Sept, 2024 Self	Freelance Web Developer As a freelance Web Developer, I worked on 2+ projects, creating responsive and optimized websites with custom UI/UX design. I handled both front-end and back-end development, ensuring smooth functionality and performance.

SKILLS

• Technical Skills	CPP, Javascript, HTML5, CSS3, Tailwind, React.js, Next.js, MongoDB, Git.
• Additional Skills	AI tools, Wordpress, Canva, Adobe Premiere Pro, Adobe Lightroom.
• Behavioral Skills	Leadership, Team Player, Problem-Solving, Quick Learner.

PROJECTS

• YJLS-kolkata  repo	Developed a full academic website for Yume Japanese Language School using React.js & Vite, improving user experience and boosting student inquiries by 25%.
• Connect4 Game  repo	Developed a Connect 4 game using HTML & JavaScript with an interactive UI for strategic multiplayer gameplay.
• Note Keeper  repo	Note Keeper Web App – A React-based task manager for adding, tracking, and deleting to-dos with a responsive design.

AWARDS

OASIS Scholarship West Bengal Government	I have been awarded with scholarship of ₹1 lakh by the West Bengal Government for achieving academic scores of 70% above.
